

Down A Country Road

Thank you for your request for information on "DOWN A COUNTRY ROAD." We would love to have you visit us and perhaps take one of our tours!

We are located two miles east of Cashton along state Hwy 33. The Amish gift shop is a rustic building built by the Amish and is filled with hand crafted treasures. You will find furniture, quilts, wooden baskets, wicker baskets, rugs, bonnets, children's furniture, maple syrup, home made candies, jams and jellies and much, much more! The Little Red Shed was built here on our farm in 1905 and has been renovated to be a little country craft and gift shop where you will find all kinds of neat things including wood crafts, dolls, lace, candles, collectibles and so many more items to charm you. Our newest shop is Emma's Kitchen, again a rustic building built by Amish, which contains gardening accessories. From bird houses to willow furniture to wind chimes and stepping stones, it's a gardener's delight! New in 2006 will be "The Little Country Ice Cream Shoppe." We hope you will visit us!

If you decide to take the tour, I will ride with you in your family car or van for approximately 1 and 1/2 hours. We will make several stops in the Amish community and you will have the chance to meet and talk with my Amish friends and neighbors. I will also share the history, traditions and customs of the Amish with you as we travel from one farmstead to another. We'll have a great time and I'll share lots with you! The cost of the tour is \$50.00 per family car/van. If you are looking to bring a larger group, please call me for rates and scheduling. (Rates subject to change) We do require a credit card to hold your tour reservation, with a 72 hour cancellation notice. However, when you arrive for the tour, if you pay cash you will receive a \$5.00 discount.

Our brochure states our hours as Thursday, Friday and Saturday 10:00 to 5:00, May thru October. However, we are very flexible and are often open by chance or appointment most other days during our season. If you are coming from a distance away, I strongly urge you to call to see if we are open on unscheduled days. I ALSO DO REQUIRE ADVANCE RESERVATIONS FOR ALL TOURS, as I fill in quite rapidly. Our phone number is 608-654-5318 or you can reach me by email at downacountryroad@yahoo.com

Again, thanks so much for your interest. If we can help in any other way, please give us a call.

Sincerely,

Kathy Kuderer
